AN ACCIDENT

HAPPENS TO ME

(private life, professional life, sports, leisure, sea, mountain, nature activity...)

WHAT IS MY CHOICE ?

Because every second gained is a victory over the situation

Without BAB'So First

WAITING....

Panic

WAITING...

Doubts

WAITING...

Inaction

WAITING...

Desesperation

WAITING...

Negative Thoughts

WAITING...

Loss of hope

I was wainting

ACCIDENT

Intervention of the kit

BAB
BENEFICIAL·ALERT·BEACON®

With BAB'So FIRST

I have + chances

To be seen, heard and recognised

I have +

Imagination

I have +

Source of hope

I have +

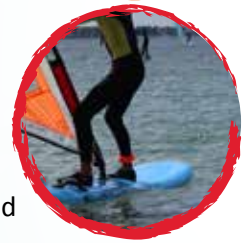
Lifetime

Yes, but what is it ?

BABO

BENEFICIAL·ALERT·BEACON®

My link to life !



BAB'So FIRST is a system used to improve identification of a person in distress. It works where others do not (no network, batteries out, etc.). Compact and lightweight (abt. 80 grams), reusable, it activates in less than 10 seconds and increases the visibility of about 150m.
Technical **AND** psychological assistance, the BAB'So FIRST Kit, source of hope, is your link to life.

1. Facilitate searches of a person in distress by being seen, heard and recognised. *(The trackers geolocate but do not allow to be seen)*
2. Reliable thanks to its technology, simple in its operation, compact & versatile
3. Be visible in all circumstances day and night *(ISO Standard, 78 cm of useful retroreflecting and emission of about 16 hours of light CE)*
4. Personal and medical ID strips
5. Be heard: whistle 60 dB
6. A 150cm connecting lanyard, resistant to 150kg of traction. to hang, repair, being bind to an object or person
7. Feel a presence, substance the imagination, offer solutions
8. Bring hope and keep link to life
9. Save time saving more lives
10. And even an emergency splint
